Terms of Reference (TOR) – Adey CP Cerebral Palsy Awareness Program Launch & Press Release

Event Title: Launch of Adey Cerebral Palsy National Awareness and Rehabilitation Program
Theme: *Building an Inclusive Future for Children with Cerebral Palsy*
Motto: *Inclusion in Action*
Date: March 15, 2026
Venue: Adwa Victory Memorial Museum, Addis Ababa, Ethiopia
Duration: One Day (08:30 AM – 01:00 PM)
Organized by: Adey Cerebral Palsy Charitable Association (Adey CPCA) in collaboration with Event Organizer (TBD)

1. Background

Adey Cerebral Palsy Charitable Association (Adey CPCA) is a national non-profit organization dedicated to improving the quality of life of children with cerebral palsy and their families through rehabilitation, awareness, early intervention, and caregiver empowerment. In Ethiopia, many children with cerebral palsy face limited access to specialized services, low public awareness, stigma, shortage of trained professionals, and financial barriers.

The National Launch of the Cerebral Palsy Awareness and Rehabilitation Program marks a major milestone in addressing these gaps by mobilizing stakeholders, strengthening partnerships, and promoting inclusive and sustainable rehabilitation services nationwide.

2. Purpose of the Launch Program

The purpose of this launch is to officially introduce Adey CPCA's national cerebral palsy program, raise public and stakeholder awareness, and generate collective commitment and support for inclusive rehabilitation and disability services in Ethiopia.

3. Objectives of the Launch

- Publicly launch Adey CP's cerebral palsy awareness and rehabilitation program in Ethiopia.
- Promote Adey CP's mission, services, and impact to the public, media, and key stakeholders.
- Disseminate accurate information about cerebral palsy to parents, caregivers, professionals, and communities.
- Mobilize community and donor support for program sustainability.
- Strengthen partnerships with government institutions, NGOs, and private sector actors.
- Advocate for improved disability and rehabilitation policies and increased investment.
- Showcase success stories and best practices.
- Reduce stigma and promote social inclusion of children with disabilities.

4. Theme and Motto of the Event

- **Theme:** Building an Inclusive Future for Children with Cerebral Palsy
- **Motto:** Inclusion in Action

The theme highlights the national commitment to long-term inclusive systems, while the motto emphasizes practical, collective action toward inclusion.

5. Scope of the Launch Program

The launch will be conducted at national level in Addis Ababa and will target government officials, donors, development partners, NGOs, rehabilitation professionals, caregivers, media, and community representatives.

6. Expected Outcomes

- Increased national awareness on cerebral palsy.
- Stronger partnerships with key stakeholders.
- Commitments and pledges for program support.
- Media coverage at national level.
- Clear visibility of Adey CPCA's services and direction.

7. Key Activities

- Opening ceremony
- Keynote and technical presentations
- 3–5 minute documentary video screening
- Testimonies from caregivers
- Panel discussion and Q&A
- Fundraising and pledge collection
- Press briefing and interviews
- Networking session

- Media
- Community leaders

10. Organizational Structure and Roles

- Event Steering Committee
- Event Coordinator
- Program Manager
- Finance & Admin Team
- Media & Communication Team
- Logistics Team
- Volunteers

11. Human Resources Requirement

To ensure a well-coordinated, professional, and impactful national launch, Adey Cerebral Palsy Charitable Association will engage a dedicated team of staff and support personnel. Each role is designed to contribute to smooth implementation, effective communication, and a positive experience for participants and stakeholders.

- Event Coordinator – Leads overall planning and execution of the launch, coordinates all teams, oversees timelines, and ensures that the program is delivered according to the approved schedule and standards.
- Moderator (Master of Ceremony) – Guides the flow of the program, welcomes participants, introduces speakers, manages transitions between sessions, facilitates discussions and Q&A, and maintains audience engagement.
- Program Manager – Provides technical oversight of program content, ensures alignment with Adey CP's mission and objectives, reviews presentations and speeches, and confirms that key messages are clearly communicated.
- Administrative Officers / Event Support Staff – Manage participant registration, prepare name tags and attendance lists, distribute materials, handle documentation, and provide general logistical support.
- Audio-Visual (AV) / Technical Team – Sets up and operates sound systems, microphones, projector, screens, and video playback; ensures smooth presentation of the 3-minute cerebral palsy awareness video and other multimedia content.
- Media Officer / Journalist – Documents the event through photos and video, prepares press releases, coordinates with media outlets, and compiles post-event communication and reporting.
- Catering / Hospitality Staff – Prepare and serve refreshments and lunch in a timely and hygienic manner and support guest hospitality.
- Volunteers / Ushers – Guide participants to seats, support crowd management, assist persons with disabilities, and help maintain order throughout the event.

12. Logistics and Materials
